Galaxy of Horses, Riders Takes Over Palm Canyon In Western Week Parade

Horses and riders took over Palm Canyon Drive Saturday morning in a brilliant array of riding horses and equestrians, for Palm Springs' 13th annual Western Week parade.

It was a perfect Palm Springs day, with warm sunshine and a cloudless blue sky, as the entries rode along, headed by the Color Guard, carrying the Stars and Stripes and the Palm Springs Mounted Police flag.

Television star, former Mayor, and beloved citizen Charles Farrell, Grand Marshal of the Parade, was first in the line of march, followed closely by Division Marshals Bill Rashall and Paul Coates.

WESTERN WEEK Queen Janice Sakofsky, in a pink and white outfit, waved to the watchers lining the streets, as she rode with her court in a stagecoach, accompanied by her court of honor, High Sheriff Jimmy Morton, Larry Finley and the Jack Baileys.

The Palm Springs Indians High School band, dressed in red and white, and the Junior High School band paraded too.

Among the riders were those in parade clothes, heavily embroidered and some in utilitarian desert riding clothes. There were feather-bonneted Indian Chiefs and squaws riding bareback; flowing Arabian robes and Spanish señoritas in full skirted gowns and mantillas.

ONE OF the loveliest was Patricia Minton, jeweled and silken robed in Arabian costume, and riding her horse "Tranatta." Mary Hurrell was a silver and white beauty on her handsome Arabian. Ardella Diemer was the bareback ballerina and looked like a golden girl in gold lamé and sequins. Among other notable riders were Mrs. Al Rose and Barbara Cobin.

The children along the line of march, were especially intrigued with the Kellogg entry, with its wagon drawn by six ponies, with whirligigs fastened on their heads; Bozo the Clown; the black-and-white clad skating unit from Desert Skating Club, that did skating routines as they went along; Marie Sunk with her cocker spaniel riding with her, and the two small boys in the electric-driven car.

Some of the most beautiful horses in the country were entered in the parade including Harold Daken's gorgeous palomino, and Sharon Carlson's \$1500 show horse. There were matched pairs, prancing parade horses, work horses and riding horses, and the parade line filled Palm Canyon Drive. Last in the line were the Los Compadres Club, originating Western Week, and Cliff Campbell and Mac McDonald, this year's co-chairman.

FIRST PERFORMANCE of the Desert Arabian Horse Show started at 1:30 p.m., today, at the Polo Grounds, and there will be a repeat show at 7:45 p.m., tonight, and again at 1:30 p.m., tomorrow, Sunday.

Also scheduled for tonight, starting at 8:30, is a Western Dance at Los Compadres clubhouse. Besides the Arabian Horse Show

on Sunday afternoon, will be a Children's Pet Show at 1:30 p.m. at the Polo Grounds, with more than 150 entries expected. Pets are to be dressed in Western attire, with four classifications for prizes offered.

From 6 to 10 p.m., Sunday, a Square Dance Jamboree will be held at the Playhouse Pavilion at the Polo Grounds.

Western Week will close Monday with a free show featuring horse races and team and calf roping, at the Polo Grounds.

Historical Group Plans Birthday Party on Nov. 18

"Children's Day" will be the theme of the Palm Springs Historical Society first birthday party on Sunday, Nov. 18, at Tamarisk Park.

The theme denotes the dress which all early residents of Palm Springs are urged to adopt for the event, and all residents and visitors are urged to attend and participate.

The event, as last year, will honor the Founders of Palm Springs. One special feature will be the appearance of the Palm Springs Debs of years ago, as compared to the Palm Springs Debs which are used by the Chamber of Commerce to publicize the Village today.

A picnic also will be a highlight of the celebration.

First order of business of the celebration will be the effort to find the first white child born in Palm Springs.

JayCees Deny Backing 'Right To Work' Law

Palm Springs Junior Chamber of Commerce has not endorsed passage of the "Right to Work" ordinance being considered by city council, nor will it do so as it does not come under the activities or interests of a service club, Bill Bronstein, president, reported today.

Bronstein said that he was issuing the statement because of reports that the JayCees were backing enactment of the law.

The JayCee president is a member of the Senior Chamber board of directors which recently, by majority vote, asked that council enact the law.

U.N. Force To Go Into Egypt As Soon As It Consents

LONDON (AP)—A 6,000-man United Nations police force began converging on Naples, Italy today for duty in the Suez Canal zone as quickly as Egypt agrees.

Egyptian President Gamal Abdel Nasser still had not given consent.

He said the government would study the U.N. resolution setting up the international force "word for word" because Egypt did not intend "to be taken in by deceit after they were unable to take us by force."

ADDED URGENCY was lent to the United Nations operation by new threats from Moscow. Russia announced it would permit "volunteers" from Russia to go to Egypt unless British, French and Israeli troops get out.

A high Israeli government official implied that Russians already had taken part in the Mideast fighting. He said intercepted ground-to-air conversations with Egyptian planes were carried on in fluent Russian.

County to Act On Village School Bonds Monday

Riverside County Board of Supervisors will face a 56-item agenda Monday when it convenes at 9 a.m. in the board room at the county courthouse in Riverside.

Among items relating to the desert area are:

Resolution ordering sale of \$1,000,000 worth of bonds of the Palm Springs Unified School District.

Hear the recommendation of the planning department for acceptance of various streets in the Cathedral City area.

Hear the recommendation of the road department on a request to accept a portion of Cork Hill Road in the Desert Hot Springs area.

More Gifts Here To Blood Bank Needed for Quota

Interest in the monthly visit of the Riverside-San Bernardino two-county Blood Bank at Desert Hospital on Monday has been good to date, but more donors are needed to meet the quota of 25 pints, Robert Henwood, hospital administrator, announced today.

This is an excellent chance for individuals, clubs and other organizations to establish a private blood bank, Henwood said. In this way, families or even friends, and club members may draw upon the bank without payment for the blood itself.

He urged that advance registration for donating of blood be made by calling the hospital, 2251.

U.S. Rejects Swiss Peace Parley Plan

Vetoes Five-Power Conference, Prefers U.N. Machinery

GETTYSBURG, Pa. (AP)—The White House today rejected the Swiss proposal for a five-power conference on current threats to world peace. President Eisenhower said he preferred to approach international crises through the United Nations.

But the White House did not rule out an ultimate meeting at the summit of either the Big Three or the Five powers.

ADVISERS to the President said the current White House attitude is simply this: "The United States government is not going to move outside of the United Nations."

Mr. Eisenhower sent a message to Markus Feldmann, president of The Swiss Confederation at Berne, thanking him for the Swiss proposal for a five-power meeting.

The President explained that he thought the best interests of world peace could be served in the United Nations.

Mr. Eisenhower's reply to the Swiss was announced shortly after he arrived at his Pennsylvania farm for a few hours of relaxation.

The Swiss had proposed that the U.S., Britain, France, Russia and India participate in a new "Summit" meeting.

Hospital Staff To Hear Surgeon

Dr. Gerald Crenshaw of Oakland, will speak Monday night at a meeting of the staff of the Desert Hospital. His topic will be "The Surgical Treatment of Pulmonary Emphysema."

Dr. Crenshaw is a chest surgeon who has been in the forefront of all recent advancements in cardiac and pulmonary surgery.

He will show a film which has been acclaimed at major medical meetings throughout the country.

The meeting will start at 8 p.m., according to Dr. Joseph Sage, program chairman for the staff meetings.

VICTOR M. SUDAHA, 45, PALM HOUSE OPERATOR, DIES IN LOS ANGELES

Victor M. Sudaha, owner of the Palm House, and familiarly known to a host of friends and winter guests as Vic, died suddenly in the Cedars of Lebanon hospital in Los Angeles at noon yesterday. He was 45 years of age at the time of his death.

In ill health for more than a year and in and out of the local hospital on occasions for a longer period of time, the news of his passing was a shock to many here in Palm Springs.

Sudaha came to Palm Springs in early 1945 and entered into business at the same location where his popular Palm House night club is now situated. However, at the time he opened his Palm House, which was formerly a non-committed officer's club during World War II, nothing stronger than beer was served there.

In time Sudaha bought a partner's interest and with the purchase of an on-sale liquor license his place began to flourish as a night club.

He served in World War II in the Navy and was a member of veteran's organizations here. He is survived by his wife, Mabel, who has been operating the Palm House during his last years of illness. He is also survived by his father and mother.

Funeral services will be held Tuesday at St. Nicholas Syrian Orthodox Church in San Francisco. Tri-Sagion services will be at 8 p.m., Monday, at N. Grey Company Mortuary, 1545 Divisadero

Street, San Francisco. Interment will be in Mt. Olivet Cemetery in that city.

15 Trucks Are Halted At Border

Soviet Army Moving In Food, Medical Aid of Its Own

VIENNA (AP)—Hungary Communists refused today to admit through the Austrian border Western medical aid into Hungary for bleeding Budapest.

Communist guards blocked an International Red Cross convoy of 15 trucks carrying food, medical supplies, doctors and nurses. They halted the convoy at the border crossing point at Klingenbach on the road to Sopron.

AT THE SAME time, the Budapest Reds claimed that Soviet army trucks and planes were moving food and medical supplies into Hungary. A broadcast reported the arrival in Budapest of 10 Russian planes carrying medical supplies. It said 100 Soviet trucks were supplying the capital.

The Reds flatly refused permission for the Red Cross unit to cross the frontier and said all Red Cross relief supplies must be channeled through Communist Yugoslavia.

Refugees from the inflamed nation told an appalling story of death and destruction, of fire and famine, of daring and desperation.

The escapees from Hungary said popular support of the anti-Communist revolt dwindled hourly under the heavy pounding by Soviet armored forces and the lack of food and medicines.

THEY SAID the rebels abandoned their last fortified positions in blazing Budapest Wednesday afternoon and turned to hit-and-run guerrilla attacks with captured Russian arms and ammunition.

Elek Feher, former member of the Hungarian Parliament, said doctors and nurses told him before he left Budapest Wednesday night, that at least 8,000 or 9,000 Hungarians have been killed in the fighting.

Desert Sun Carrier Boy Lives Up to Tradition Long Established

A Desert Sun Carrier Boy today came in for special praise, for his alertness while on his daily rounds delivering the paper.

Mrs. B. Jacobs in a letter to The Desert Sun told of this special deed by Bob Lubach, 13, 3811 C-mine San Miguel, and added, "I am most grateful and I am sure you will be glad to know about it."

Relating the event, she said that on Oct. 31 while she was out, the youth while delivering her paper noticed water coming out of the door. He at once contacted a neighbor to tell her, and she in turn called the police who broke down the door to enter the house to shut off the water.

The water was throughout the house, and was caused by a pipe which had broken.

"Although there is considerable damage," Mrs. Jacobs said, "I feel sure if it were not for the speedy action and presence of mind of Robert Lubach — much more damage would have occurred. I truly appreciate his actions."

Lubach, when returning to The Desert Sun office on that evening

BOB LUBACH

had related the events of the day to Orville Risvold, circulation manager, but had neglected to tell his part in the affair. Only through Mrs. Jacobs' letter was any mention made of his action.

Final casting for the play, "My Sister Eileen" will be held at the Jewish Community Center, 332 West Alejo Road, Sunday at 3 p.m. for an early production by the newly organized Desert Drama Workshop.

The first casting call was held during the week at which time several roles were cast from the large and enthusiastic number of people who attended. There are still several important parts to be cast on Sunday.

The group is non-sectarian and open to all who are interested. This is the first of three major productions planned for the season under the direction of Hal Joseph. He urged all those interested in participating to attend the final casting call on Sunday.

New Personnel Hired by School

Four new personnel were hired by the Board of Education this week on the recommendation of Dr. Wallace R. Muelder, superintendent of schools.

A new clerk for the office at the Nellie N. Coffman Junior High School was approved at a salary of \$263 to \$315 per month.

A cafeteria custodian, for employment at the Palm Springs High School, was approved for full time employment at a salary range from \$270 to \$325 per month.

A new first grade teacher was hired for Frances Stevens School to teach a newly split class. Nedra Hollister, 33, a substitute teacher in this district last year, was given a contract with a starting salary of \$4,200.

The board established a new position in the district last night, a supervisor of buildings and grounds, who will supervise all maintenance of schools within the area.

Supervisors this week authorized transfer of funds from the unappropriated reserves to carry out his plans.

According to board chairman William E. Jones, it will be a thorough job when finished, all in the audience will be able to hear as well as see, what is going on with the county board.

Self-service type stores open at the rate of one every hour according to a survey by the Folding Paper Box Association.

PAUL GRAY, "The Hilarious Humorist," is again pleasing the audiences in the Chi Chi Starlite Room with his humor. Lillian Roth, who returned to fame with "I'll Cry Tomorrow," is the headliner, and completing the All-Star bill are Tanya and Biagi, who present "Satires of the Dance." Between shows adding to the entertainment is the music of Bill Alexander and his Band.

Western Mining Council to Oppose 'Land Grab' of National Park Service

Decision on a proposal of the National Park Service to acquire approximately 10,000 acres of private land, now encircled by Joshua Tree National Park, is expected late this month in a trial in the United States court in Los Angeles. The parcels are composed of tax delinquent land, the title of which has reverted to the state.

A strong protest against the transfer of the land is expected from the Western Mining Council which is said planning to block the sale. They may appear before county supervisors next Monday to formally protest the plan.

THE LANDS IN question are in the Pinto Basin. Joshua Tree Park, like many national parks and monuments, contains many acres of privately-owned land within its confines. The NPS has asked some time ago that tax-delinquent land be deeded to the

CC Businessmen Conduct 'Beer Can Clean-Up'

The weekly luncheon of the Cathedral City Area Business Association was held at the Farmhouse Restaurant with the important issue on the agenda being the "Operation Beer Can."

This morning, Saturday, at 7 a.m., the members met in front of the Citizens Bank, and with 12 trucks they started at Araby Point to clean up the area between there and Thunderbird. Committee chairman was Herb Winkler.

Constructive steps are being taken with the State Highway Dept. to force the statute already on the books, a fine of \$500 and imprisonment for "Litterbugs."

L. C. Lewis again brought to mind the importance of providing off street parking, and Father Leissler asked to have all accidents, minor as well as major, reported to him to aid in his campaign to obtain stop signs for the dangerous side street intersections.

Among the many guests and new members were: Earl Grace, manager of Bill Elsworth's Sports Cars; Herbert Richardson, Editor of "Desert Trailer News"; Milton Monette, general maintenance; Frank Glass, home builder, and Edwin C. Turner, furniture and fabrics.

Rice Has Car Shortage Too

County Administrative Begole, Sheriff Joe Rice and Supt. Robert A. Smith of the county garage, today started a study of a car shortage which Sheriff Rice told supervisors, is hampering law enforcement in Riverside county.

Sheriff Rice appeared before the board this week and said that lack of adequate transportation for his officers, is a serious handicap to his staff.

He said that at least 10 additional automobiles were needed to bring operations to standards of maximum efficiency.

Methods of assigning cars at the county garage will be studied. At present there are 49 cars assigned in the car pool to the sheriff's office.

In addition to ordering a study of the situation, supervisors provided immediate relief by the purchase of eight new automobiles at a cost of \$14,556 plus trade-in credits. The low bid for the eight automobiles was proffered by Warren Anderson, Riverside Ford dealer.

These cars, however, go into the county pool for use of all departments but will help alleviate the shortage in the sheriff's department.

New Road Plan Given Approval

Desert area residents planning trips to the Hemet-San Jacinto Valley will save gasoline and time soon according to action taken this week by the Board of Supervisors.

Plans for completing the Lamb Canyon road from Beaumont to State Highway 79 were given approval by the board. A. C. Keith, county road commissioner, was instructed to go ahead with his program which includes necessary condemnation suits to acquire essential rights of way. All of the rights of way for the road have been donated except for 900 feet at the Beaumont road.

The new Lamb Canyon road will tie in with the state highway system at Beaumont, proceed southward to the Canyon and thence to the Hemet-San Jacinto road, State Highway 79.

It will provide a road miles shorter for desert residents both to Hemet-San Jacinto points and from there southward to Escondido, Oceanside and San Diego

Chamber Holds Initial Meeting

The Thousand Palms Chamber of Commerce held its first meeting of the fall season this week at the Community Chapel with President Dewey Wallace presiding.

Wallace reported on the progress being made for the formation of a new sanitation district for the West end of the Valley, and the probability of this area being included in such a district.

Mrs. James A. Welcome brought the members up to date on the progress being made toward the establishing of a roadside park, using a palm tree grouping with drinking fountain, tables and benches. Landscaping of the triangle of land at the corner of old U.S. 99 and Ramon Road also was up for consideration.

A committee headed by Walter Bovee was appointed to procure three signs which are to be placed at strategic locations entering the Village.

NEW CIELO VISTA SCHOOL officially entered the family when the board of education signed a notice of construction completion. It is the newest of the schools, with funds for its building being authorized by voters in a bond issue several years ago. (Desert Sun Photo)

AN EXCELLENT IDEA

The proposed "study committee" to be formed from members of the Agua Caliente Indian Tribe and Palm Springs citizens for the purpose of working out a redevelopment program in the city can accomplish a great deal for the betterment of the entire community. This new approach to this city's most critical problem is an excellent one. It should receive the hearty support of all residents and business interests.

The plan has been under consideration by the Indian Council and the Palm Springs City Council for some time. The two groups will meet at El Mirador Hotel on Nov. 19 to decide definitely on the formation of such a committee. The outcome of the meeting will be watched with considerable interest throughout the community.

Of prime consideration for study of the committee will be a plan for improvement of Section 14 which is so badly in need of attention. It is believed that Federal aid may be obtained if a specific plan is adopted. The Tribal Council has already employed a planning expert, who will likely recommend a plan which could come under the Federal urban redevelopment program.

Numerous attempts have been made over the years to develop the Indian land within the city but all have failed—most of them because the cooperation of the Indian Council was not properly sought. By working with the Indians and assisting them in their own development program a solution of the problem can surely be found. Such an arrangement was proposed by The Desert Sun two years ago as the only logical and workable plan.

Much credit is due the Indian Tribal Council for taking the initiative and working out a development program of their own which would undoubtedly be quite acceptable to the city. High hopes will be held out that this new approach to the problem will be a successful one. It would be the finest thing that ever happened to Palm Springs.

MIKE CONNOLLY:

Clifton Fadiman on Inefficiency

Anna Maria Ferrero, who plays M. Ferrer's sister in "War and Peace," is the same old dame by Shelley Winters as being responsible for the breakup of the Winters-Vittorio Gassman combo. . . . The Glenn Ford will be in Japan for Christmas. . . . Fernando Lamas' unusual deal on "Happy Hunting" smash hit in which he co-stars with Ethel Merman, includes three percent of the gross on the sale of the show's LP records. . . . Anthony Quinn kicked himself from Paris to Hollywood for selling out his interest in "La Strada" which is leading for the big money. . . . Clifton Fadiman says, "The surest way to be inefficient is to have a schedule. Are you listening?" Joan Crawford.

CHARLES LAUGHTON told Sean O'Casey he can't play Falstaff because it's a part he "can't feel." What other actor under what dizzy sun ever had the temerity to say "he can't feel" one of Shakespeare's greatest creations? . . . Happy little sign in a casting director's office: "Don't Call Us, We'll Stall You." . . . Dolores Gray will get \$3750 a wee for the Richard Ney-Lou Bellson show. "But Not for Marriage," which goes into rehearsals soon. . . . Dale Evans book, "Angel Unaware," has already turned \$60,000 over to hospitals for mentally retarded children.

PATTI PAGE'S fella, Charlie O'Curran, is setting a new style in men's wear: wears cufflinks through his jacket sleeve. . . . Elaine Stewart too. She wears a huge diamond set in platinum on the third toe of her left foot. . . . A certain movievovon gal you all know orders Miltons by the thousand lots and keeps them in a gre t big ol' fruit bowl in her living room for her guests. . . . Director Jean Negulesco's note from Athens re Sophia Loren, co-starring with Alan Ladd and Clifton Webb in "Boy on a Dolphin": "She's a clown, she's

a tragedienne, and I believe she will become one of our greatest stars. She is capable of playing almost any role. Besides this, she is extremely sweet, humble and kind, qualities which are unusual in a star of her youth and fame." . . . DON'T LET 'EM kid you, Jayne Mansfield and Mickey Hargitay are talking marriage. . . . Gale Gordon is socking most of his earnings from his tele-series, "The Brothers," into a 32-acre guest ranch in Tub Canyon. . . . Eva Gabor backed away from a TV script I had recommended. I asked why. Said she: "I couldn't understand who the heroine was—Pollyanna or Polly Adler." . . . Charlie Brackett tells it: John Barrymore was working two days in "Midnight" when he called Charlie over and said, "I'm crazy about this picture, old boy—I may read the script!"

TV TOPICS: Three tele-dramas in which Jimmy Dean once appeared will be beamed in a six-day period this month: NBC-TV's "Robert Montgomery Presents" will repeat "Harvest," in which Dean appeared with Dorothy Gish, Nov. 12; CBS-TV's "Schlitz Playhouse of Stars" will repeat for the second time, "The Unlighted Road," and G. E. Theater will repeat a kine Nov. 18 of "I'm a Fool," a live show in which Dean co-starred with Eddie Albert. . . . Desi Arnaz, who has his fingers in a lot of juicy pies, is one of the big stockholders in the new Indian Wells Golf Club near Palm Springs. . . . Beginning in February, Eddie Fisher's television show will move into the one-a-week half-hour bracket.

ONE OF THE NETS is talking to Phil Harris about releasing his old radio shows, all of which are on tape, for airing next year. . . . If Xavier Cugat can get out from under his troubles with Uncle Sam's Revenue boys long enough, he and his beautiful Ab-

be Lane will produce a series of 39 color telefilms, to be shot in Rome, titled "Around the World with Cugie and Abbe." Abbe in color—yum! . . . Fact that 91 "Superman" telepictures, made over a six-year period, cost \$3,000,000, is as fantastic as the series. A fancy figure! . . . Bob Hope says the general impression that Bing Crosby owns a big ranch in Nevada is completely false. "Truth is," says S'i-Nose, "Nevada is a spot on Crosby's ranch!"

Doodles

By ROGER PRICE

"UNFINISHED BUSINESS" This Doodle, suggested by Remo Bianchi of Grand Rapids, Mich., should be a reminder to all of you readers to finish any unfinished business that you may have lying around. For instance, make that appointment with your Psychiatrist before it's too late. Get your other shoe resoled. Punch your boss in the nose. Try once more to watch all of a Charley Chan movie. Write that threatening letter to the Internal Revenue Dept. that you've been putting off. Get a haircut and have that crack repaired in your Elvis Presley record. And there's one more small bit of business you could finish that would make me very happy. Try reading all of this column for a change.

'When the Dust Clears, We'll See if it Works'

THIS SIDE of The Sun

The war to end all wars Ended 28 years ago. Oh, Yeah? Just look around today At all the strife and woe.

But optimism, like hope, springs eternal. So tomorrow—and Monday—display the flag. It's a National Holiday.

November 11, Veterans Day, originally Armistice Day, falls on Sunday this year, so Monday is the official holiday. And it is also the climax to a most successful Western Week.

YESTERDAY I mentioned Jimmy Shea of the FSP. (Incidentally, that piece was written for the light of day Thursday but due to mechanical difficulties, was withheld until Friday.)

Jimmy arrived as scheduled Thursday, still full of enthusiasm over the Republican convention of last August. Shea, as general public relations man, was in charge of, and rode on, the special train which took like and Mamie to Monterey.

His net story concerns Mamie and all of the roses she was given.

WHEN THE TRAIN arrived at Monterey, Mrs. Eisenhower was concerned over the fate of the roses and asked Jimmy to give them to the little girls, lining the depot platform awaiting a glimpse of the First Lady. The universal question was, said Jimmy, "and did Mrs. Eisenhower touch these roses herself, the ones I am touching now?"

And when he assured them that she had, they were really happy. And our Mr. Shea wasn't above being impressed himself, he wore a rose she had given him, in his lapel until it drooped sadly.

PERSONALLY, I don't believe the passage of Proposition No. 5, which permits sale of liquor in places where food is NOT served, too bad.

The argument was that it would bring back the old type saloon. Well, when you think about it, that might not be too bad. Under the present law, where there has to be food in connection with liquor dispensaries, people could bring children in to eat and sit with them at the bar while awaiting a table.

Under the change in the law, no one under 21 is going to be allowed at a bar. Which is a good thing. A bar is no place for a youngster.

Since we are going to have bars anyway, it will be a lot better if children are barred.

EARL C. ANTHONY lives in Palm Springs and loves Palm Springs. He has always done a lot for the Village and last Tuesday night, scored again.

He arranged and paid for a special broadcast wire from his radio station KFI and put up loud speakers in the arcade at the Plaza theater.

Many a movie-goer, going into or coming out of, the theater was able to keep right on top of the news, thanks to his arrangements.

SPEAKING of special weeks, of which we have two or three every week, I note that I missed one recently.

September 22 to 29 was National Sweater Week.

But I am not moaning low. There is still time to observe National Sweater Week when the weather becomes cool enough for the girls to wear them.

And it will be something to observe.

Hungarian Aid Crusade Swamped

"No man is an island, intire of itself," John Donne wrote in his Devotions in the Seventeenth Century. "Every man is a piece of the Continent, a part of the maine; if a clod bee washed away by the sea, Europe is the lesse, as well as if a promontorie were, as well as if a man were; any man's death diminishes me, because I am involved in Mankinde; and therefore never send to know for whom the bell tolls: it tolls for thee."

So the death of liberty in Hungary has again diminished the liberty of all free men.

But who is optimistic enough in the Western World to believe that the Hungarians who, with their last free breath, cried to the world, "Help! Help! Help!" can now believe that "Mankinde" in free areas is either involved in their struggle or cares that this brave nation is once again under the heel of a cruel and vengeful dictator?

THE DYING WORDS of the Hungarian people should haunt the free world and weigh on its conscience as long as man is free to read them: "People of Europe, whom we defended once against the attacks of the Asiatic barbarians, listen now to the alarm bells ringing from Hungary."

"Civilized people of the world, in the name of liberty and solidarity, we are asking you to help. Our ship is sinking. The light vanishes. The shadows grow darker from hour to hour. Listen to our cry! Start moving. Extend to us brotherly hands. God with you and with us."

"Help, help, help!"

THAT TERRIBLE cry from the depths was never answered. There was no answer when the Free Hungarian radio, in its death throes, asked:

"What is the United Nations doing? Give us a little encouragement."

When that free voice, in its final hour, cried in despair, "It can't be allowed that people at-

BILL RASHALL

Unedited

(Hear Bill Rashall (Unedited) at 7:30 a.m. Monday through Saturday on KDES-920 on your dial).

Just finished talking to Curtis Chamberlain, the newly elected member of the Riverside County Board of Supervisors. It was he who defeated Roman Warren who has worked in close harmony with Chairman of the Board of Supervisors William Jones. And much of what these two and Supervisor McCall (they formed a majority) wasn't too good for this part of Riverside county.

But when I finished talking to Chamberlain, I was left with a feeling that at last East Riverside county has an understanding friend in addition to our own Supervisor Berkeley and his friend Anderson on the board.

We feel that proposals which may affect this part of Riverside county will be given great and considerable thought from now on, or I'm a monkey's uncle.

"I've been a city councilman in Riverside for many years," said Chamberlain. "I not only worked for the district I represented on the city council but for the city as a whole. I fully intend to think of all Riverside county instead of just the city of Riverside or this part of the county."

THEN CHAMBERLAIN went on to declare:

"Do I know your part of the county? I'll say I do. Some of my best friends live there."

"Why," he continued, "I have a lot of friends in Palm Springs and Indio. Do you know Jerry Sanborn?" I replied in the affirmative. "He's a dear friend of mine. I've known him and his wife for more than 30 years. And then there's that grand character in your city by the name of Trav Rogers. Needless to say, you know him too."

About the sheriff's office and the low pay and long working hours of that department? Chamberlain replied:

"I'm way ahead of you Bill. I believe in giving a man a decent wage. We raised the pay of the

Riverside City Police Department three times. As a result, that department attracted good men and was able to keep them.

"I hope that the same can be done for the sheriff's office. I believe that our county law enforcement officers should get as much pay as similar departments in Southern California. Furthermore, I believe the Sheriff's Office should have more man power."

CHAMBERLAIN switched from that subject to the question of re-districting of the county's supervisorial districts.

"Do you believe Palm Springs wants to be left on the desert or kept in the same district with Beaumont and Banning?" he asked.

There is no doubt in my mind that the people of Palm Springs who have given the subject any thought feel that the desert area should be reduced in size somewhat sans Banning and Beaumont.

Well, I must say that this man Chamberlain is thinking already, and according to Jerry Sanborn: "He's a level headed businessman, retired now, and he'll do a good job for the entire county. I believe that the long standing majority on the board of supervisors headed by Jones will be broken."

Let's hope so

BY THE WAY, it's nice to be with newspapermen for an evening or two but my, oh, my—the going is tough. In the city yesterday, today and tomorrow is Paul Coates, columnist for the L. A. Mirror and author of Confidential File, a television program which has hit from coast to coast. Also Bill Best, bureau manager in Los Angeles for the United Press and Wayne Sargeant of the same organization.

Well, it's nice being with men who are in the same profession but they come down to play here and yours truly has to get up in the morning and hit for this type-writer. And what a morning I endured following the night before!

EARL WILSON:

Problems of Portraying Nun

NEW YORK — Nancy Kelly sneaked her husband into her intimate little lunch date.

Oh, sure, being a great actress she made it look accidental. "DARLING, imagine seeing you here!" Dialogue like that. But us Ohio hicks catch on. . . . we're pretty sharp.

Still, it was fascinating — Nancy babbling the problems of playing Sister Mary Aquinas, the flying nun, on CBS Studio One Monday.

"It's amazing what happens when you get into a nun's habit," she called across the menu. "You're absolutely incognito." "People are schooled not to look at you. Walking into my own building, forgetting I was in my habit, I said to the doorman, 'Good evening, Andy.' He said, 'Good evening, Sister.'"

"Later he exclaimed, 'Was that you, Mrs. Caro? You see nobody ever looks.'"

PRODUCER WARREN Caro, her husband, a Theater Guilder, nodded understandingly as she described the cigar problem.

Nancy portrays the nun from Manitowoc, Wis., who became the first nun to get a pilot's license. Now, at 62, Sister Mary Aquinas wants to fly a jet. They met at a rehearsal after Nancy took over the part vacated by Margaret Sullivan — and afterward Nancy, in the back of a car, was perishing for a smoke.

"I thought it would look pretty incongruous: so I forced myself to wait until I got home."

She was still in the habit when her husband came home. Nancy's expecting a baby in March, and the expectant father gave her a kiss. Flustered a little, Nancy stammered, "Oh, no, you'd better not!"

IT PERHAPS SHOWS how actresses convince themselves they're somebody else. Nancy's had the experience. As a little girl starting out in Lowell, Mass., she was in 50 movies before she was 8, and many think "The Bad Seed," which she did on B-way and in Hollywood, was the high point of a great career.

Sister Mary Aquinas'll appear with her briefly on the show. "We've both been talking about whether the white part of the habit shouldn't be blue — so it'll look better on television," Nancy said.

"Anyway you have to get in the habit of wearing your habit."

THE MIDNIGHT EARL . . . Yvonne De Carlo was nice to a man on a plane — told him she didn't mind his cigar. He got her tickets to "My Fair Lady," so now she has TWO pairs . . . Peggy King's admirer, Andre Previn, may have trouble in his contemplated divorce. Mrs. Previn wires that she is expecting in February . . . Broadway's new eating champ, Angelo, a CBS elevator operator, ate \$14.95

worth of delicatessen at the Stage Delicatessen, all paid for by Joe Glaser, the rich agent who books Louis Armstrong and Noel Coward . . . Busty Claire Fitzpatrick may become the bride of Jack Carter.

Faye Emerson and Skitch Henderson, reported busting up, were a duo at El Morocco's Champagne Room . . . "Lil Abner," opening soon — without star names — has a \$718,000 advance sale . . . Marilyn Monroe may return for the "Baby Doll" premiere Dec. 18; it's an Actors' Studio benefit . . . Beverly Anderson, who was an "exotic dancer" at Minsky's, played the same role on the "Sgt. Bilko" TV'er.

William Powell's son, Bill Jr., weds TV actress Patty Parsons next month . . . Rudy Vallee's rewriting his own bio; couldn't come to terms with writer Frank Scully . . . Fran Warren will leave "Pajama Game" to work the Statler hotel chain . . . The UN ran out of coffee during its night session, and sent over to Hanson's for some . . . Ann Sheridan'll have her name on a line of dresses.

Playwright John Van Druten's at Mt. Sinai hosp. after surgery . . . Imogene Coca will do CBS-TV's Playhouse 90 next month . . . Victor Mature's trans-Atlantic phone calls were to Karen Steele.

EARL'S PEARLS . . . It isn't the used cars that are a menace on the highways: it's the mis-used ones. — S. S. Biddle.

WISH I'D SAID THAT: "A boy's best friend is his father, and if he gets up early or stays up late he may get to see him." —Quote.

TODAY'S BEST LAUGH: Whether or not you like Lawrence Welk's music, notes Walter Slezak, you must admire him for one thing — he made a lot of people forget Liberace.

It's a grim thought, sighs Robt. Q. Lewis, but "Blue Suede Shoes" and "Nothin' But a Hound Dog" are what today's youngsters will someday nostalgically call "our song" . . . That's earl, brother.

Sermon Says Carnal Mind Means Death

Paul's words in Romans (8:6), "To be carnally minded is death; but to be spiritually minded is life and peace," constitute the Golden Text of the Lesson-Sermon, "Mortals and Immortals" in the Christian Science churches, Sunday.

This thought in the Golden Text is amplified by citations from The Psalms where the Psalmist prays, "So teach us to number our days, that we may apply our hearts unto wisdom . . . And let the beauty of the Lord our God be upon us." "As for me, I will behold thy face in righteousness: I shall be satisfied, when I awake, with thy likeness." (90:12, 17; 137:15).

In "Science and Health with Key to the Scriptures" by Mary Baker Eddy correlative passages declare, "Men and women of riper years and larger lessons ought to ripen into health and immortality, instead of lapsing into darkness or gloom." "Let us then shape our views of existence into loveliness, freshness, and continuity, rather than into age and blight." (pp. 248, 246).

New York State, known as the Empire State, was named by King Charles II of England for his brother the Duke of York, when he ordered New Netherlands taken from the Dutch in 1664.

The Junior High Baptist Youth Fellowship of the First Baptist Church in Thermal will launch a new project Sunday evening at 6:30 p.m. for the benefit of the American Leprosy Missions, Inc.

In this project, each young person will receive a "Pete The Pig" bank which they will be asked to feed with "coin." When the pigs are opened the Sunday after Thanksgiving, the total of the coins will be forwarded to the mission.

The Young People will also receive folders entitled "The Pigs That Go 'Round The World" which tells the story of the Christian service the American Leprosy Missions, Inc., is rendering to lepers around the world.

This project is in charge of the Christian World Outreach Committee, with Velvet Mann as the chairman. The committee will also show a filmstrip on the work of the mission to the lepers. Counselors for this group are Mr. and Mrs. Don Dutton.

Baptist Sermon Topic Announced

"Half-Hearted Christianity" will be the sermon topic for the Rev. Richard A. Uzzel Sunday morning at 9:30 a.m. at the Calvary Baptist Church in Indio.

The church is meeting temporarily in the IOOF Hall at the corner of Jackson Street and Highway 99. Sunday School begins at 10:35 a.m.

School Safety Slogan Selected

Safety slogan for children in the Palm Springs Unified School District next week is "Never Jay Walk," according to George Bond, safety director and superintendent of transportation.

Each week a different slogan is selected which is repeated by students as they board buses en route to or from school.

Special Interest Shown in Two Sunday Schools

A great deal of interest has been shown in the duplicate Sunday School Classes at the Community Church of Palm Springs. At 9:30 there are classes up through the Adult Class. The 11 o'clock session has classes up and including the Junior Young People. At this same time the Young Adult Ark Mariners group meets in the Fellowship Lounge across the street from the church.

There is a Cradle Roll for the care of small children during the 9:30 and the 11 o'clock services.

At the two morning worship services, which are held at the same time as the Sunday School, Dr. James H. Blackstone, Jr., the pastor, will bring a message on "The Promises of God in Christ." These morning messages are being taken from the book of Corinthians. Elmer Young, choir director, is presenting the Chancel Choir in a special anthem with Mrs. Lois Lux at the organ.

At 6:15 the Junior High Christian Endeavor under the leadership of Roy Davis will meet in the church social hall for their meeting. All Junior High young people are invited to join with this group. The High School group meets at the same time in the church parlor with James McManus in charge of their discussion.

"High Calling" is the name of the religious film which will be shown at the evening service. Beginning at 7:30, Merle Hancock will start the program with an inspirational song service, followed by the Junior High Choir under the leadership of Hugh Givens. An invitation is extended to all to attend.

Bob Bradford and Jiggers Johnson Appear Sunday at Foursquare Church

BOB BRADFORD and JIGGERS

On Sunday, at 11 a.m. the Foursquare Church will present Bob Bradford, one of the foremost ventriloquists in the world who recently left the entertainment field for Christian Service. His program is designed to entertain as well as to enlighten all ages, but especially appealing to youth.

Bradford's best known dummy is "Jiggers Johnson" who talks, sings, plays musical instruments, impersonates familiar people, and even yodels while Bradford drinks a glass of water.

Bradford presents Old Testament stories through the means of ventriloquism, with an object lesson at the end of each. One of the best known is "Daniel in the Lions' Den" with imitations of the lions roaring, etc.

Evangelist Jack Schuler says: In all my experience I have never seen anyone hold the attention of the kids as well as Bob. He presents the old story in a new way."

The Ambassador Bridge, connecting Detroit and Windsor, was opened in 1929. The 1,850-foot span runs one and third miles between its U.S. and Canadian terminals.

Fiesta at Ranch Club Colorful

Fiesta reigned at Palm Springs Ranch Club Thursday night, with the rooms filled with over 250 gaily-garbed diners and dancers. In keeping with Western Week, most of the fun-makers were wearing western clothes, but numbers of them were in Mexican costumes or wearing squaw dresses.

Two bands, the Hal White orchestra and Don Martini, played during the evening, and Don Martini entertained with a sleight-of-hand demonstration. Ukie Sherin, of the Rossmore, dropped in to do a hilarious routine.

Highlight of the evening was the arrival of High Sheriff Jimmy Morton, who escorted Western Week Queen Janice Sakofsky and her court of Palm Springs Debs, and the crowning of the Queen by Jack Bailey, who emceed the "Queen for a Day" TV show. Pretty Queen Janice wore a pink western outfit while the Debs wore blue and white, and all had white western hats.

The Ranch Club had prepared a chuckwagon buffet that featured prime ribs, little steaks and spare ribs, chili beans, salads, relishes and desserts.

The Earl Hendersons had as their guests, the Terry Rays, and Henderson's secretary Dorothy Orr, recently arrived here from Portland. The Hendersons were in western dress and the Rays in their authentic Mexican garb.

Dr. and Mrs. John Costello, in western clothes, were with the Joe Pawlings (Joyce very pretty in a squaw dress), and Joan McManus.

Helen and Bob Smith were matching black and white outfits. The Al Roses were in western garb, and she was wearing that handsome new outfit of silver lame and turquoise gabardine, heavily embroidered, which she wore in the parade this morning.

The Adolph Bremers were with the Walter Sibberts, and Mrs. Bremer was wearing a very attractive Palm Springs hat.

The charming young television actress Joy Windsor was with Joyce and Noel Clarke, along with Paul Ellis, Grace Pope and her sister Helen Sanders of Los Angeles.

Bob Dietrich was hosting a table for 16, and he and one of his guests Genevieve Berg, made an attractive picture on the dance floor. She was wearing a black gown with a swirling skirt, completely decorated with colored sequins in fine fiesta fashion.

Others in the merry crowd were

OESa Club to Meet Wednesday

OESa Club will hold a luncheon meeting and card party at Hotel Oasis at 12:30 p.m. on November 14. Nomination of officers will feature a brief business session.

Reservations, which must be in by Tuesday, should be made by calling Frances Hanley at 8-5956 or Hazel Davis at 5163.

The Ray Lusby (she very pretty in a white squaw dress), Gladys Stryker with Ray Blumenthal, Jeano Ballard, the Jimmy Coopers, Cliff Brown, Paul Coates and Sam McManus, Ed McCoubrey, Bruce Thomas, Don Gow. Also, dropping in to see the Queen crowned, was a group which included Bess Bender, Ruth Lubitz, Jeannette Jacobs of San Fernando Valley, Mrs. Marty Cobin and Daughter Fern. There were, of course, many, many more.

HONEYMOON PAIR, the David Gambles who have been out at Deep Well this week, left today to continue their six-month-long flying trip around the world. They are scheduled to meet his parents, the Sidney Gambles of New York and Pasadena (of Proctor and Gamble), in New Delhi the first of the year. The bride is the former Noel Baker, daughter of the Philip Bakers of Detroit. (Desert Sun Photo).

Desert Hot Springs Club Guests of Toastmistress

Palm Springs Toastmistress Club were hostesses to members of the newly-formed Desert Hot Springs Chapter, when they met on election eve at the home of Melba Bennett. The Desert Hot Springs Club is being sponsored by the Palm Springs Club, under the guidance of Marjorie Anderson.

Discussed at the meeting were the various propositions on the

ballot, to be voted on the next day. Following the discussion, the meeting re-convened at St. Paul's parish hall.

With Margot Morrison as Topic Mistress, Theora Wight as Toastmistress, and Josephine Moon as Evaluator, there was a discussion of special words, their definition and usage. The meeting was then turned over to a discussion of the propositions as outlined and analyzed by Melba Bennett.

Special guests at the meeting, in addition to the Desert Hot Springs group, were Irene Sweet and Mildred Fitzgerald.

Five members of the Palm Springs Club will go to Fontana on November 17 to attend a Council meeting at Harold's Club.

Next meeting will be an Open House at the home of Theora Wight at 792 Mesquite, on Monday, November 19. Special speaker will be Mrs. Laura Maurizi of Southern California, who represented Council No. 8 of the Toastmistress at the Boston Convention last year.

Anyone interested in Toastmistress Club is cordially invited to attend meeting and share refreshments.

Mariners Elect New Officers at Annual Meeting

Other officers named were: Bill and Chella Rains, First Mates; Joe and Hilda Brown, Pursers; Clyde and Hazel Hitchcock, Logkeepers, and Bertrum Weatherall, Chaplain.

Following a potluck supper attended by about 100 persons, an educational and entertaining program of a motion picture travelogue with songs and description of Christian work they have done in India, was presented by Dr. and Mrs. Allen Buckwalter, who have just returned to the United States after spending 14 years in that country.

Safety will be the theme of the next meeting of Cahulla Parent-Teacher Association to be held at the school on the evening of November 20, at 7:30 o'clock, it was announced today by the P-TA president Mrs. Cy Hodges.

The program will present Sgt. Bob Young, of the traffic detail of Palm Springs Police Department; George Bond superintendent of transportation for Palm Springs Unified School District and Don Miller, chairman of the newly-formed Safety Council of Palm Springs. In addition, two films on safety will be shown.

A general discussion will follow the program, with audience participation especially invited. All parents and others interested in the safety problems of Cahulla School district are urged to attend and contribute their ideas to the discussion forum.

Following the meeting, refreshments will be served by a committee, headed by Mrs. Louis Olivastro.

A group of Cahulla School Room Mothers met Thursday at the home of Mrs. Mel Bren, to discuss forming a Mothers Safety Committee to supervise bus stops. No action was taken but further consideration will be given to this project.

Around 200 attended the Horse Show Exhibitors dinner at Hotel Oasis last night, with the group gathering for cocktails before dinner.

Among them were Mr. and Mrs. John Rogers of Walnut Creek, who imported Arabian stallion and mare, Sera Fix and Sera Fire, were so much admired at the Horse Show this afternoon. Also, Ed Tweed of Scottsdale, who brought his nationally-known stallion Skorage here for the show. Among others at the dinner were: the Dan Daileys of Carpinteria; Dean H. F. Spencer of Whittier College, who is also president of the Southern California Arabian Association; Jack Coleman of La Puente; Mrs. Alice Landell of Redlands; the Frank McCovs of Bell; Mary Nelson, who is chairman of this year's Horse Show; Dr. and Mrs. Clarence Woodmansee; Carol Brill; Dr. and Mrs. C. Among the box holders this afternoon were many of the exhibitors, plus Mrs. Austin McManus, Mrs. Gwynne Hurrell, Mr. and Mrs. C. C. Hutchens, Alma White.

DESKS HAVE SHRUNK in size, it would seem, since father and mother went to school, for parents who attended the Back to School Night at Nellie Coffman Junior High, had a little difficulty getting into Junior's seat. Here Mr. and Mrs. William Bruckner discuss some phase of the classwork of their son Kenyon, in Eighth Grade English. Kenyon, who

is student president, will undoubtedly notice that his parents aren't paying too much attention to the teacher, either... or could be, this was between classes. Bruckner is an author and writes for Cosmopolitan and other slicks, as well as doing the scripts for the Loretta Young TV show. (Desert Sun Photo).

Nostalgic Memories Revived As Parents Go to School

Nearly 200 fathers and mothers reported for school Thursday night when Nellie N. Coffman Junior High School held its Back to School Night. The parents, of Nellie Coffman students, followed an abbreviated daily schedule of classes, passing from room to room as the buzzer sounded.

They were attentive as the teachers presented what is taught and how it is taught, so that the parents would be familiar with the Junior High School curriculum. Back to School night revived many school day memories for Palm Springs parents, as they passed through the halls, tried to fit themselves into the desks where their sons and daughters sit each day, and reviewed subjects they had studied many years ago.

It was the first program geared to National Education Week, which will be observed in the schools of

Young Marrieds At SMC Have Informal Party

(Informality and fellowship highlighted the first gathering of the "young marrieds and unmarrieds" of Shadow Mountain Club on Friday.

The party began with a cocktail party from 7-9 p.m., followed by dinner. As the guests entered they were given name tags in the shape of cocktail glasses and asked to sign dance programs. Later in the evening, the ladies were given the dance programs to aid in selecting dancing partners. Needless to say, all became well acquainted as a result of this mixer.

As the evening progressed, many of the guests joined the Jo Lantz Trio in providing music. Some of this young group just happened to have instruments like trumpets, drums, bass fiddles, etc., in their cars, which enabled the ensemble to give "symphonic treatment" to all selections. This was the first of a regular party night for the Shadow Mountain Club "young marrieds and unmarrieds." On the second Friday of each month the group will reconvene.

Some of the enthusiastic participants included Messrs. and Mesdames Gene Bertling, Jerry Malone, Kenneth Fristed, Cliff Myll, Paul Jenkins, Milton Page, Stanley Chambers, Jens Harboe, Stanley Sniff, Jim Harstad, Clancy Smith, Robert Keedy, Monte Wenck, Don Entz, Boyd Clement, Floyd Shope, T. W. Carter plus Ellen West, John Moon, Stanley Ring and many others.

Inter-Service Clubs Annual Dinner Tuesday

The combined service clubs of Palm Springs will hold their fifth annual dinner at the Chi Chi next Tuesday evening, November 13 at 7:30.

The spirit of fun and laughter and getting acquainted with newly made friends sparks each dinner dance into memorable nights of gaiety. This event has now become traditional, because the keynote is friendship.

This year, Sam Black, president of the Optimist's Club, will, with his optimistic Optimists, host this social evening of fun. He has chosen as a theme: Honoring Press and Radio. Committees are functioning at top level, with Roy Randolph and George Simon in charge of arrangements and entertainment. Bill Alexander, orchestra leader, is also on this committee, which further assures a well balanced program.

In addition to the Optimists Club others in attendance will be members and guests of the Kiwanis, Lions, Soroptimists and the Rotary clubs.

First Federal Savings Expects Charter Soon

All requirements for the establishment of a Federal Savings and Loan association in Palm Springs have now been met and the formal granting of a charter by the Federal Home Loan Bank Board is expected soon, according to Oliver B. Jaynes, chairman of the organizing group. Considerably more than the minimum number and amount of subscriptions to capital required by the Board have been obtained, it was reported.

In anticipation of opening the new saving and home financing facility here at an early date, work is being rushed on completion of the quarters at 400 South Palm Canyon Drive, next to the Thrifty Drug. Fixtures and equipment of the latest design for such a financial institution are now being installed under the direction of William C. Tackett, vice chairman of the organization.

Larry Kirwan, who has been named general manager, has been in Palm Springs the past two weeks working out details for the opening. He was employed by Coast Federal Savings of Los Angeles for nine years prior to accepting the position here.

Other organizers who have been active in obtaining subscriptions to capital are Charles Farrell, Mrs. Robert Howard and Frank Bogert. The new institution will be known as First Federal Savings and Loan Association of Palm Springs and will become a member of the Federal Home Loan Bank System upon granting of the charter.

Grand Opening of Tierra Del Sol Scheduled to Continue This Weekend

Grand opening continues this weekend at Tierra Del Sol in the Thunderbird Country Club area where large crowds are being attracted to the new display of four completely furnished model homes, it was announced by the developers, Desert Sun Development Corporation.

Flexibility of arrangement is emphasized in the design of the homes which are on display daily and Sundays, it was noted.

Designed by architect Richard R. Leitch, A.I.A., of Pasadena, Tierra Del Sol individual desert homes stress the factor of convertibility to several modes of living. Convertible bedrooms provide auxiliary facilities for entertaining family guests.

"EACH HOUSE is different," it was observed by architect Richard R. Leitch, "and what we have attempted to do here at Tierra Del Sol is to design desert resort homes that will appeal to people with different situations. This accounts for much of the interest being shown by typical families visiting Tierra Del Sol who desire a 'second home' in a beautiful desert resort area such as this."

The stunning furnishings and decor, by internationally known C. Tony Pereira, are harmoniously balanced by the modern, streamlined food preparation center.

General Electric's "glamour" kitchen-laundry center, comprising five major appliances in one compact unit, won its share of attention from throngs of enthused visitors during the week, it was observed.

TIERRA DEL SOL community recreation center, with swimming pool, dressing rooms and volleyball court, is enclosed with masonry walls and glass screens, and has decorative wrought iron entry.

Texas, in 1955, produced natural gas from 11,793 gas wells and 111,644 oil wells.

TODAY'S SPORTS PARADE

By OSCAR FRALEY
United Press Sports Writer
Reg. U.S. Pat. Off.

NEW YORK (UP)—The American League is in for another of those "ho-hum" Yankee seasons.

You have to classify the Yanks right alongside "Ol' Man River" when you size up American League prospects for 1957. They just keep rollin' along and this time they figure to run longer than a pure silk stocking.

Team by team, it shapes up like this:

NEW YORK YANKEES

Things get worse for the rest of the league before they get better. This is a young Yankee team. Nor will the Yankees stand pat as they look to improve left field and polish up the pitching department.

DETROIT TIGERS

The Tigers could make a run at the Yanks for a while. The pitching is able and Al Kaline and Harvey Kuenn spark the attack. Catching and first base help, plus bench strength, seem too much to ask to completely close the gap.

CLEVELAND INDIANS

These, you might say, are the Brooklyn Dodgers of the American League in the old age department. Time is creeping up on a great mound staff and Herb Score can't pick it up alone. The defense needs a new one. Also, they'll miss senior Al Lopez, who knew how to handle vets.

CHICAGO WHITE SOX

Power is the greatest need but outfield and pitching help also would be well received. The pale hose have even paler trade bait so the prospects are not engrossing.

BOSTON RED SOX

Even if Ted Williams has a full season and performs as of old, the Red Sox need too much to go all the way. The infield has more holes than swiss on rye and the pitching, too, needs bolstering.

WASHINGTON SENATORS

The hole here is through the middle—pitching to short to center-field. Nothing much is cooking down on the farm and the pass word is "anyone for tango?"

BALTIMORE ORIOLES

Oriole pitching may shape up into something fairly special yet they can't keep pitching the shut-outs they'll need. Baltimore lacks power and nobody is around offering.

KANSAS CITY

These still will be the Athletics. This club needs everything and the farm crop isn't ready for market. Which indicates rather thoroughly that those Yankees have prospects of another joy ride down the pennant pike. Ho-hum!

Close Matches Mark RC Play

Speedy tennis marked opening rounds in the Racquet Club Senior Tennis Tournament which got under way yesterday and will be concluded tomorrow night.

First and second rounds in the Championship and in the A flights were played yesterday. Doubles are slated for today and tomorrow.

Feature match in the championship flight was staged between Bob Abbot, San Gabriel, and Reed Hadley of TV fame. Abbot won in a long battle 6-4, 4-6, 8-6.

PERRIS BLASTS INDIAN HOPES, 16-12

Stiff Defense Stops Redmen In RCL Battle

Safety and Failure To Convert Routs Warriors In Upset

By LINDSAY NIELSON

Upset is the only word to describe last night's action at Perris. And it was a major upset as far as the Indians are concerned for it threw a terrific jolt into their high hopes for a successful finish to the season. This loss will keep the local leads out of that much anticipated second place in Riverside County League standings.

It is the second loss for the Indians on the Perris field in the last four years, the last time was when the Warriors were high contenders for the league crown and journeyed to Perris only to be upset 38-18.

NEXT FRIDAY the Palm Springs High School is planning their second annual homecoming activities and they will face an exceptionally speedy Beaumont outfit.

Fumbles were plentiful last night.

Upsets Mark Play In RCL Scramble

Upsets marked play in the Riverside County League last night as Perris, one touchdown underdog, ripped Palm Springs hopes for second spot in the loop, 16 to 12 and Banning downed Elsinore, 27-14.

San Jacinto ran up a 56-0 score against Hemet in their traditional Big Game and Coachella's Arabs blasted Beaumont 28-13 to maintain its top spot in the title race.

with a grand total of eight fumbles for the entire game. Five of these were by Palm Springs.

Ballagh's boys almost hit the end zone in the first quarter when they quickly kicked on a third down situation. The ball was muffed by the Perris safety and Bill Beck recovered for the Indians on the Perris 6. It was 0-0 with the first quarter gun.

THE PANTHERS were threatening early in the second quarter but a fumble saved the day as the Indians recovered. In the next play, Dave Lance was smeared in the end zone for a Perris safety. Later in the quarter Menez with his passing arm clicking, threw a TD pass to Morton for another Panther score, the bonus was good and the half ended 9-0 Perris.

John Durr led the way in the opening minutes of the quarter by intercepting a Perris toss and going 17 yards to the Perris 30 where Dave Lance took the ball and polished off the remaining distance. The extra point was no good and it was 9-6.

ONCE AGAIN fumbles played an important part when James Allen recovered a hot ball and set up another Redman tally. This time it was Lance to Prieto on a beautiful pass play, the third period ended 9-12, this time the Indians leading.

The game was finally conceded to Perris when Morton intercepted a PS heave and went all the way for the TD. The boot was good and the game ended in 16-12 upset for the Indians.

Palm Springs winds up its football season next Friday when they play Beaumont in the homecoming festivities.

L.A. Open Prize Money Upped

LOS ANGELES (UP)—Top prize money for the winner of the 31st Los Angeles Open Jan. 3-7, at Rancho Municipal Course will be \$7,000.

Skip McMahon, chairman of the Los Angeles Junior Chamber of Commerce Open Committee, said Friday that first-place money and the total purse of \$35,000 were the largest ever offered for the golf tournament.

Ultimatum Handed Saddler by Board

NEW YORK (UP)—Featherweight champion Sandy Saddler must notify the N.Y. State Athletic Commission next week when he will be ready for a title defense or submit to a physical examination to prove himself unable to defend.

Saddler claims he's still recovering from injuries suffered in a New York taxicab accident July 20.

PALM SPRINGS INDIANS went down to defeat last night 16 to 12 at Perris, in what could be classed an upset. Action was tense throughout the game, with the score close at all times. Top picture, Gene Prieto is on his way across the goal line after taking a pass from Dave Lance, which gave

Coach Clare Ballagh's team a 12 to 8 lead. Center photo poses a question to readers as to who has the ball as players on both teams dive after a fumbled pigskin, one of many during the game. Bottom photo, Lance is stopped after a short gain.

Evidence Against McCoy Piles Up

LOS ANGELES (UP)—Beefy Baby McCoy, former Olympic Auditorium matchmaker, today faced a rising tide of testimony that he fixed fights as a State Athletic Commission hearing entered its third round.

The hefty, cigar-chewing McCoy was fighting for his California matchmaker's license against charges that he fixed fights and shared fighter's purses in violation of state regulations.

Several of McCoy's former associates, including Watson Jones, George Hansford and Edwin R. Stanley, took the stand in the first two days of the hearings to accuse the portly matchmaker.

Jones, a veteran of 20 years in the ring, broke into tears Friday as he accused McCoy of short-changing him on fight purses and instructing him to throw fights.

"He was my boss man," Jones said. "He gave me back what he thought I should have. I don't remember how much I got of any one fight."

"I brought every nickel back to you, you stinker!" Jones yelled at McCoy. Then he began to cry.

Jones testified that McCoy instructed him to "make it look good, but get out early," in a fight with Harry Matthews in Topeka, Kan., on May 4, 1950.

Earlier, Hansford, a lightweight veteran of 200 fights, said that he "threw" fights on orders by McCoy. He said that the matchmaker gave "orders" on fights in Milwaukee, San Diego, Las Vegas, Minneapolis, Chicago and San Antonio during the 1940s.

McCoy retired recently as Olympic Auditorium matchmaker for reasons of "ill health." He said the charges against him had nothing to do with his retirement.

Jules Covey, McCoy's attorney, objected to the marathon sessions of the Athletic commission which held three meetings Friday, ending late Friday night. He was overruled by the commission.

FIRST COMPETITION IN OLYMPIAD UNDERWAY

By RICHARD VOUMARD

United Press Sports Writer

MELBOURNE, Australia (UP)—Politics and world tension were pushed aside here today for the first actual competition of Olympic athletes—a pre-Olympic track and field carnival that featured four-minute milers but not the favored American and Russian teams.

The U.S. squad apparently was not ready for racing yet, since it

just arrived by plane Friday and was still in process of settling down.

THE RUSSIANS, who have been here longer, were playing their track cards close to their vests. They withdrew from practice at Olympic Park Friday, complaining about the condition of the turf at the high jump after their star high jumper, Igor Kaskarov, had failed to leap higher than six feet, six inches—five inches below the best he has done at home.

Even without the Russians, today's big track carnival at Puckapunyal Army Camp, about 60 miles from Melbourne, figured to be a brilliant show.

THE HIGHLIGHT, of course, was the mile matching two four-minute milers—Jim Bailey of Australia 3:58.7 and Chris Chataway of Britain 3:59.0—against a blue-ribbon field that included several other stars who have been knocking on the four-minute door.

Among them were Murray Halberg of New Zealand, Marv Lincoln of Australia, Chris Brasher of Britain, and Jerzy Chromich, Poland's steeplechase star.

A total of 13 nations were represented in the meet, the first major test of strength between the Olympic squads. Friday, Russia's skyscraping basketball team, considered the chief threat to a continued American domination of that sport, flexed its muscles in a 117-51 tune-up victory over the Australian team.

Giants and Lions Favored Sunday

By UNITED PRESS

The New York Giants, favored by seven points, battle the Chicago Cardinals for the National Football League's Eastern Division lead Sunday and the Yankee Stadium game will draw about 60,000 fans if the weather is good.

While the Cardinals and Giants both 5-1 clash for the undisputed lead, the Detroit Lions are six-point choices to hold the Western Division lead and stretch the league's only perfect record to 7-0 by defeating the Redskins 2-3 at Washington.

Hawaiians Swamp So. Oregon 59-0

HONOLULU, T.H. (UP)—The University of Hawaii Rainbows gave Southern Oregon College a lesson in Hawaiian football Friday night by trouncing the Red Raiders 59-0, before 5,500 fans.

Oregon's ace quarterback Bill Seymour was hospitalized with a neck injury early in the game. Hospital attendants reported his condition as satisfactory, but he was kept for observation.

SCOUT VIA FILMS

CHICAGO (UP)—Rose Bowl opponents will have to furnish each other two regular-season game films for next New Year's Day classic. The practice, which eliminates personal scouting, was tried out last year and found satisfactory to all hands.

Desert Senior Golf Event to Start Tuesday

All Three Local Clubs To Be Hosts In Fall Tournament

Play is scheduled to start Tuesday in the first of three rounds of golf by Palm Springs Desert Senior Golf Association with 18 holes scheduled for O'Donnell Golf Club.

Second round of the November tournament will be played at Tamarisk Country Club Wednesday and third round at Thunderbird Country Club Thursday.

Each day 18 holes will be played in the 54-hole medal tournament. Pairings for each day will be announced at 8 a.m.

Special events at each club include prizes for "hole in one" at special greens and other individual hole awards.

Play in the Senior Association President's Guest event starts each day at noon. It is also over a 54-hole route.

Prizes will be awarded Thursday at the November Stag Dinner at Thunderbird Country Club at 7 p.m.

The annual tournament is divided into five classes, each of which will play all three days. They range in age brackets, 55-59, 60-64, 65-69, 70-74, 75 and over.

Gail Cave is the defending champion.

Bowl Bids Up for Grabs in Three Big Games Today

By MILTON RICHMAN

United Press Sports Writer

Bowl bids were put squarely on the line today in the biggest football Saturday of the season and the betting was that Georgia Tech, Minnesota and Colorado would pick up the coveted invitations.

A Sugar Bowl bid awaits the winner of the Georgia Tech-Tennessee clash at Atlanta, where the Rambling Wreck is a six-point favorite to hand the Volunteers their first defeat of the season.

Minnesota was also a six-point choice over Iowa in a game at Minneapolis that could produce the Big Ten representative in the Rose Bowl on New Year's Day. The game will be nationally televised.

First place in the Southwest Conference and a possible Cotton Bowl invitation is at stake in the contest between Texas A&M and Southern Methodist where the bowl-ineligible Aggies, with a 6-0-1 record, are rated seven points better than the twice-beaten Mustangs.

The Pacific Coast Conference's representative to the Rose Bowl may be determined by the outcome of the meeting between Oregon State and Stanford. Although Oregon State shares the conference lead with UCLA, which is ineligible for a bowl game, Stanford has been installed a six-point favorite.

Steelers Study Louisville Bid

PITTSBURGH (UP)—The Pittsburgh Steelers, whose owners have proudly proclaimed they are all "Pittsburghers," considered an offer today to move the club's National Football League franchise to Louisville, Ky.

Arthur J. Rooney, head of the football club since it entered the National League in 1933, said the offer came from the Kentucky Fair and Exposition Center. The same offer already has been rejected by the Washington Redskins because their contract for use of Griffith Stadium in the capital still has four years to run.

Grey Tower Tops Field at Meadows

SAN MATEO (UP)—Which Stable's Grey Tower, with jockey Ray York in the saddle, headed a field of seven thoroughbreds entered in the \$10,000 added Morrison Handicap today at Bay Meadows.

Grey Tower was assigned 122 pounds for the mile and a sixteenth race, five pounds more than second-weighted Covert and Ole Travis.

Rounding out the field were Six Fifteen, Our Bettors, Prefect II and Fleet Charge.

HUNGARIAN ATHLETES SNUB RUSS DELEGATION

MELBOURNE, Australia (UP)—Sixty members of the Hungarian Olympic team received a moving welcome today by the free Hungarian colony. The athletes promptly snubbed a party of welcoming Russian officials.

Several team members said they had taken part in the street fighting in Budapest and were determined to stay here "if things do not change back home."

Mikhail Pesliak, assistant mission chief of the Russian Olympic team and four other chain-smoking Russian officials nervously waited in a back corner of the air terminal to shake hands with the Hungarians. But Hungarian team leaders, although told the Russians were waiting for them, curtly ordered the team to proceed and Pesliak left the airport without even having seen a Hungarian Olympian.

At the same time, the Council of Hungarian Associations in Australia, representing nearly 15,000 settlers, announced it has protested to International Olympic Committee President Avery Brundage of the United States and the Australian Olympic Committee against Russia's participation in the games.

THE BUY OF THE MONTH

THIS HOME is not new or modern, as modern is interpreted today modern conveniences, yes! One of Palm Springs' finest families once called it home. The stately four-bedroom, 3 bath home is enclosed by a wall to which pyracantha's cling like owners, and fruit trees inside this wall, laden with fruit, act possessive. The pool, which overlooks the mountains, claims its own dressing room, bath, and patio... it is located in the envied Tennis Club area where homes are hard to find... Completely furnished... an incredible buy at \$45,000.

OUT-OF-TOWN OWNERS, with other interests now, offer for sale their Tahquitz River Estates home... 3 bedrooms, 2 baths, lovely living room with fireplace, 2-car garage. The completely walled and shrubbed yard compliments the lovely pool off the patio... and it's completely furnished too, for only \$32,500.

Come in and inquire about our Acreage... SH-hhhhhhhhh!!

The Good And The Bad

The week's good and bad news on the international balance sheet:

VIOLENCE

Bloody violence in Egypt and Hungary roused anger and anxiety throughout the world this week. Great Britain and France invaded the Suez Canal zone. Soviet Russia threw its Red army into a merciless attack on the heroic Hungarian men, women and children who launched an open rebellion against the yoke of Communism.

Russia's denunciation of the Suez attack was so threatening that there was fear for a time that a third world war might be near.

SO ALARMING was the situation that the Defense Department in Washington ordered its air, sea and land commands throughout the world to be in constant readiness.

There were anti-British riots in Moscow, in the Arab countries, in the Moslem countries of southwest Asia and in India.

There were anti-Russian riots in capitals throughout free Europe. There was even an anti-Red riot in Switzerland, a country so neutral that it will not even belong to the United Nations. There were riots in Latin America. Western diplomats boycotted receptions which the Russians gave in world capitals to celebrate the 39th anniversary of their Bolshevik revolution.

THE UNITED Nations General Assembly met in New York in its executive committee, was impossible because Britain and France and Russia held the veto power.

But the assembly voted 65 to 1, to call on Britain and France to withdraw from Egypt. It then approved 64 to 0 a plan to send a United Nations force to take over the canal zone.

THE ASSEMBLY also, by a vote of 50 to 8, condemned Russia for its bestial action in Hungary.

Britain and France moved into the canal zone on the ground that it was endangered by an Israeli attack on Egypt.

This explanation did not satisfy even most Western Allied governments, including the United States.

Nor did it satisfy many Britons. There was a riotous demonstration against Prime Minister Anthony Eden in London. Numerous Conservatives, including some cabinet members, were reported opposed to Eden's action.

AT THE WEEK end the danger of a big war seemed to have become remote. But the Suez attack had stirred up bitterness which was unlikely to subside soon. Russia's attack on Hungarian patriots had shown the utter ruthlessness and cynicism of the Soviet government — its ruthlessness in crushing any challenge to its rule, its cynicism in its pretensions to seek peace and in its protest against the Suez invasion. But the big development was that Russia can never again be certain of its position in the satellite countries.

Veterans Open House Planned

Owen Coffman Post, American Legion, together with the local Disabled American Veterans Post, will hold Open House Monday afternoon and evening, on Veterans Day, for all veterans, at the Legion clubhouse.

All veterans, of all wars, are invited to visit the local club.

The Legion and DAV will display the colors and standards on that day, the Legion Post at the clubhouse, and the DAV at 444 North Indian Avenue.

OFFICER T. M. AITKEN, left, congratulates Richard Harries on setting a record high examination grade in the Southern California Peace Officer's Training Program at Riverside College. The mark set by Harries was the highest for the five years the school has been conducted. Aitken was only a few tenths of a percentage point behind Harries. (Desert Sun Photo)

Two Palm Springs Policemen Get Record Training Course Grades

Caliber of members of Palm Springs Police officers was illustrated again this week with the announcement by Police Chief August G. Kettmann that Officer Richard Harries had established a record high examination grade in the Southern California Peace Officer's Training Program at Riverside College.

Harries had a mark of 93.8 for the five weeks course, and Officer T. M. Aitken, who attended the course with him, was only a few tenths of a percentage point behind him.

This was the eighth class in five years to be conducted at Riverside College by John P. Peper, State Supervisor of Police Training. Other local officers who have attended the course are Bob Davis, Gene Brinton, Bill Madsen, Matt Calac and Ray Youngberg.

An illustration of the achievement was given by Peper. Harries and Aitken were two of 52 men enrolled. Intelligence tests of all men ranked higher than college students, and in a test given to college graduates the highest mark was 89 per cent.

"In another experiment," Peper said "35 officers with police experience ranging from five to 10 years took the examination and only two officers passed this examination and their grades were between 70 and 80 per cent."

Peper commended Chief Kettmann for not only the record achieved by Harries and Aitken, but also for the previous standards established by other members of the Palm Springs department who attended the course.

MEETING SCHEDULE
District Council Meeting, Frances Stevens School—third Tuesday.
Troop 39—Rotary Scout House—Monday.
Troop 58 — Desert Hot Springs Baptist Church—Monday.
Troop 77 — Frances Stevens School—Tuesday.
Troop—North Palm Springs Fire Station—Wednesday.
Troop 118—St. Theresa School—Thursday.
Pack 59 — Desert Hot Springs School—fourth Friday.
Pack 81—Cathedral City School—third Thursday.

One hundred seventy-four boys have registered for Cub Pack 80, and Den locations and meeting dates were the subject of this week organizational meeting at the

Lodge Hall of the Palm Springs Elks, who are sponsoring Pack 80. Lion's Cub Pack 81 will hold its first meeting at 7 p.m., Nov. 13, the Cathedral City school. New members will be initiated and advancement awards presented.

First outdoor activity of the season is reported by Troop 7, with the Scouts and candidates enjoying a cook-out hike to Chino Canyon. Lessons in hike planning, choosing and clearing a camp site, building the cook fire and clean-up afterward were learned.

Preparing for the January Tournament, Troop 59 has developed an archery range, with the help of Bill Tichener and O. L. Coty who bulldozed a back-stop. Doc Wright is in charge of the installation of flood lights so the bowmen can practice at night.

Finds \$35,000 Strown Over Farm, But it May Prove Counterfeit

WEATHERFORD, Tex. (AP) — A \$35,000 crop of \$100 bills harvested by a Texas dairy farmer may turn out to be counterfeit, bank officials said today.

Oscar Womack, 27, was strolling along a ravine on his farm Friday when he picked up the first bill. Then he found another and then another.

Womack said he picked up money until he "just got tired" and then called his mother, Mrs. Annie Womack, 50, an employee, C. H. Kennedy, to help him. They gathered the bills which were muddy and charred by fire, and rushed them to the bank.

Word of the find spread and by Friday night, hundreds of neighbors and strangers were searching Willow Creek with so many flashlights that it looked like a convention of fireflies.

Vice President Fred Measures of the First National Bank in Weatherford examined the "crop" and was impressed.

Measures said he found some of the bills with duplicated numbers, indicating they might be counterfeit.

He theorized that somebody set fire to the big pile of cash on Womack's farm, expecting the money to be entirely consumed by the flames.

Eleanore Knutti Funeral Held

Eleanore Knutti, daughter of Mrs. Emma Knutti and sister of Mrs. George R. Tomkins, Jr., of 4163 Calle San Antonio, Palm Springs, died suddenly last week. She had been a local visitor for the past 10 years.

Funeral services were held at Los Angeles with interment at Valhalla Cemetery in North Hollywood.

In addition to her mother and sister, the deceased left an aunt and uncle in Sweden.

New York's Hudson River is also known by another name, the North River.
